

Task

Research and compile as much information as possible regarding the living and working conditions in _____. Utilize various sources, such as family and/or friends residing in the country, different websites (comparison portals, online shops ...), interview partners on social networks, etc. Determine the following living costs in €/month for a single person (please indicate any deviating information), or specific values for certain goods within each category.

Enter the research findings and sources into the table provided. The value from the Austrian Reference Value Table will be transferred to the right-hand column, and a comparison with the researched amounts will be drawn.

Group members: _____

	Source 1	Source 2	Source 3	Source 4	Reference values from Austria
1. Housing (Rent, running costs/utilities, hot water, electricity, heating, household insurance) for approx. 50 m ²					
2. Mobility (Car ...), potentially the purchase price of a car, cost per liter of fuel ...					
3. Clothing and footwear, or prices for branded jeans, T-shirts, shoes, etc.					
4. Food (incl. snacks), or a menu at a fast-food restaurant, 1 kg of fruit/potatoes, 1 bar of chocolate ...					

	Source 1	Source 2	Source 3	Source 4	Reference values from Austria
5. Leisure Activities (Going out, nicotine products), or a cinema ticket, gym membership, 1 packet of cigarettes ...					
6. Average Annual Income (Gross and/or Net)					
7. What is the statutory minimum annual leave entitlement?					
8. How is the health-care system financed: through taxes/compulsory insurance/private insurance/a mixed system?					
9. Is there unemployment insurance and a state-funded pension provision? Is this sufficient for a good standard of living?					
10. Is education free of charge (school, apprenticeship, university)?					

 What is the price of the world? 11th/12th grade
